VOLUNTEERS NEEDED - MESSAGE FROM ROBERT PARRY REGARDING THE 2019 PARIS GEM & MINERAL SHOW
 Well it is almost that time of the year again when we have to start preparing for the 2019 Show which will be held on April 6 and 7. This is the big money maker for the club. It is more important this year to have a successful show as the profits are needed to financially support the workshop:

To make it all work, we need volunteers. There are many jobs to fill, so please consider signing up to help with the jobs listed below. The sign-up sheets will be available at the March meeting and every meeting until the show.

VOLUNTEER REQUIREMENTS:

- Admission Table – to collect money and make change at the door. Need a minimum of a two-hour stint.
- Auction Table – to help organize and put out items for the silent auction during the show.
- Club Table – to hand out info about the “club” to promote and collect memberships and sell workshop punch cards.
- Signs – to set out road signs on the Monday before the show and to collect them at the end of the show. Also, to have someone put up signs in the building before the show and to put them away at the end.
- Internet - to promote the show on Facebook and Instagram and run contests before the show.
- Kid’s sandbox – to set up and help run this children’s activity during the show. Also, to help prepare the bags for sale before the show.
- Fluorescent Display – to help set up and man the display during the show and to help put it all away at the end.
- Security – to wear a “security” shirt during the show in order to help curb theft.
- Volunteers “at large” - to help with set up on Friday night and with tear down on Sunday

Whether you can volunteer a little or a lot, it all is greatly appreciated. Thank you, Robert Parry

Past Newsletter Editor Resignation

Due to Health reasons I had to step down on March 2, 2019 as Newsletter Editor. Thank you to all who gave me their support and to all who enjoyed the Newsletters that I prepared since June 2018. Jeannine Johnson, Past Newsletter Editor

NOTES FROM OUR MEMBERS:

To the Membership at Large,

This brief note is to advise you that John Moons has been removed from the board of directors as a result of the motion put forward by Allan and Ernie. Many of those attending the meeting did not wish for the vote to go ahead at all, because they did not have all the information needed to make a proper judgement. It was even asked after much debate that the motion be withdrawn, Allan and Ernie refused.

For some who sent in proxies supporting the motion and neither know John, nor gave him the respect of hearing his defense, took only the opinion of Allan and Ernie. For those of you in this position it is regretful that you did not make sure you had info from both sides. We not only lost John to the board of directors but also our president Constance resigned that night and previously in the month our newsletter editor also resigned.

As other long-term members consider whether they wish to remain in the club we are on the verge of losing a lot of talent and knowledge. We sincerely hope that this manner of problem solving within our club never happens again, the controversy hurts both the club and the workshop.

Respectfully,
Robert and Betty Parry

Dear Members of the Brantford Lapidary and Mineral Society,

It warmed my heart to see so many of our friends come out to the March 15th 2019 members meeting to support my case. Thank you very much! Before the meeting Joan told me already that no matter what the outcome, I would have something to celebrate. And she was right. It is nice that I do not have to prepare all kinds of paperwork and do not have to spend 5 hours at a meeting having arguments with people who do not even listen to what others have to say.

A final note; look up the Ontario Not-for-Profit Corporations Act. At number 127.2 it reads: The members of a corporation may, by a resolution passed by a majority of the votes cast at a general meeting, of which notice specifying the intention to pass such a resolution has been given, remove from office any director or directors, except persons who are directors by virtue of their office. 2017, c. 20. Sched. 7, s. 37 (1). All this legal text means that I could be voted out of office for being the Representative for the CCFMS, but I could not be voted out because I was the immediate Past-President (that was the virtue of my office). That means that all the hoopla around the proxy votes and the voting at the meeting was all for nothing, because legally I could not be voted off the board! Only after Constance stepped down as the President, I was no longer the immediate Past-President and I can celebrate that I am no longer on the board. Joan found the rules in the Corporations Act only on Sunday morning.

John Moons

Thank you to Jeannine Johnson

On behalf of the BLMS I would like to extend our heart-felt thanks to Jeannine for her work as newsletter editor. Jeannine took over the job from Roger Campbell without a hiccup. In addition to doing the newsletter every month she lent her hand at the sign-in table at members' meetings and was a big help to the Treasurer on the pesky Excel spreadsheets. We will miss her warm heart, her cooperative nature and her incredible attention to detail as well as her newsletter!

Thank you to Constance Hanscomb

More thanks are extended to Constance Hanscomb who resigned as president at the end of the March members meeting. Constance dove into the president's role with both feet. Through her real estate contacts she was instrumental in finding the Stanley Street location for the clubhouse. She has brought the board to a new level of organization with agenda planning and she efficiently handled the behind-the-scenes administrative work that goes along with the President's role, filing applications, handling insurance, and representing the club with outside agencies and the landlord. Constance has carried the burden of navigating some very difficult board and members' meetings. Her work for the Society is much appreciated.
