

WORKSHOP ANNOUNCEMENTS

-ALL MEMBERS - We are looking for donations to help with our move, things like boxes, packing tape, bubble wrap, Styrofoam packing peanuts etc., anything that can be donated would be greatly appreciated.

- All Members - Workshop will be moving at the end of October. We will be asking for volunteers to help with the move. If you are interested in helping pack up, move and or setup at new location please contact Gerald Van Decker at gerald@renewability.com or call 1-519-404-6329.

Also, the workshop will be selling of some of the myriad of stones in stock at rock bottom prices, a selection will be made available to members at the workshop on a first come first serve basis.

Please note to non-members all are welcome to come out to check out our workshop. first visit free along with a specimen to work on so come out and see what fun lapidary can be. Just contact any one of the instructors and set up a visit.
